GoClixy - How to Enable/Disable Custom Modules?

Keywords

URL https://www.morewebpage.com/videos/detail/goclixy-how-to-enable-disable-custom-modules-6

GoClixy has an option to disable custom modules from your directory website. You can also add a new module, eg. vehicles on your directory site in a few clicks. It is also easy to extend the functionality of existing modules without any programming knowledge.
